

MAYA KOUSHIK

Hyderabad, Telangana

koushikmayaaa@gmail.com — +91-9014974605

github.com/mayaminer00 — linkedin.com/in/koushik-maya-0709742a3

Professional Summary

AI/ML undergraduate with hands-on experience in building machine learning models and full-stack applications. Skilled in Python, SQL, and MERN stack with strong foundation in DSA. Developed AI-based projects using NLP and neural networks. Seeking SDE or AI/ML roles.

Education

Keshav Memorial Engineering College, Hyderabad B.E CSE (AI & ML), CGPA: 7.6	May 2027
Vaishnavi Junior College Intermediate (MPC), 97.3%	2023
Mother Teresa High School SSC, GPA: 10	2021

Technical Skills

Languages: Python, Java, JavaScript, SQL
Web: HTML, CSS, React, Node.js, Express
Databases: MongoDB, SQL
AI/ML: Machine Learning, Deep Learning, NLP, LLMs
Core: DSA (Arrays, Trees, Graphs, DP)
Tools: Git, GitHub, VS Code

Projects

AI Quiz Generator MERN, Gemini API

- Developed a full-stack AI-powered quiz platform using the Gemini API for dynamic quiz generation.
- Implemented a user-friendly interface with real-time quiz generation and dynamic difficulty adjustment.
- Managed quiz data, user responses, and authentication using the MERN stack.

URL Shortener Service Node.js, Express.js, PostgreSQL

- Developed a scalable URL Shortener with short link generation and redirection functionality.
- Built RESTful APIs using Node.js and Express.js following MVC architecture principles.
- Designed PostgreSQL schemas for efficient URL storage and retrieval.

Pneumonia Detection using CNN Python, TensorFlow

- Developed a CNN-based deep learning model for pneumonia detection achieving 92% accuracy on chest X-ray datasets.
- Applied image preprocessing and data augmentation techniques to improve model performance and generalization.
- Trained and evaluated the model using TensorFlow and Python-based machine learning workflows.

Achievements

- HackerRank SQL (Intermediate) Certified
- Apna College DSA Certificate
- Solved 100+ problems on LeetCode

Additional Information

- Competitive programming enthusiast with 100+ problems solved on LeetCode.
- Proficient in problem-solving, debugging, and writing optimized, efficient code.
- Possess strong analytical thinking and ability to quickly adapt to new technologies.
